

March 23, 2016

Dear Lease/Purchase Agreement Family,

Manteca Unified School District continuously strives to bring programming to our families that will support academic enrichment. At this time, the pilot Lease/Purchase program option will not be renewed for the 2016-2017 academic school year. The program will not be available for any new participants effective immediately.

Existent families participating in the lease/purchase program will continue to have 100% access to their monthly investment. As stated in the agreement all payments are nonrefundable. All rent payments made under this option shall be credited against the purchase price of the equipment at the time the District determines to surplus the computer. Upon the completion of the four-year term, these individuals will be able to use their funds to purchase the computer at the current value minus their contribution to the account for their student.

We would like to thank you for continuing to support your child and his/her success while with us.

Sincerely,
MANTECA UNIFIED SCHOOL DISTRICT
