MUSD promotes a shift in thinking with the relationship between teaching and student learning.

Support and expand Pathway Programs for 9th-12th grades including, but not limited to Vocational Education,

Career and Technical Education, Advanced Placement, Honors, Visual and Performing Arts, and other programs that promote rigor and relevance for all students to be future ready.

Work with staff, the community, and the Board to maintain a fiscally sound budget.

Continue to maintain a positive working relationship among and across all employee groups.

Continue to support efforts to improve existing school facilities so that these facilities remain safe and effective places to learn.
