

Sierra High

California Department of Education School Accountability Report Card Reported Using Data from the 2015-16 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Mr. Steve Clark, Principal

Principal, Sierra High

About Our School

Welcome to Sierra High School, home of the Timberwolves! Our student population of 1,450 is a reflection of the diverse community of Manteca, located in the heart of the San Joaquin Valley.

Sierra High School is a dynamic and creative high school that constantly strives to prepare students for the world in which they will live and work. Since opening in 1994, we have had steady academic growth, adding electives and Advanced Placement courses to a rigorous A-G curriculum. Our district and school are now in the second year of our 1:1 "Going Digital" tablet initiative. Our extra-curricular activities have been very popular with our students, as we offer a full complement of athletic, club, and co-curricular offerings. One of our goals is to assist each student in becoming connected with a program on campus to get them involved in the school community.

The Sierra High staff recognizes the need for ongoing professional development focusing on quality instruction to increase student achievement. We will continue to explore avenues for our students to experience success and challenge them with a vigorous and meaningful curriculum. Whether in the academic, extracurricular, athletic, or visual and performing arts of our school, we exist for our students. The Sierra High community is committed to working together to find areas of improvement and putting in the countless hours needed to make our school a better place for all students. Go T-Wolves!

School Description and Mission Statement (School Year 2016-17)

Sierra High is one of five comprehensive high schools in Manteca Unified. We opened in 1994-95 and graduated our first class in 1997. In the fall of 1999, we implemented the 4x4 Block Schedule, and its impact has had an overwhelmingly positive effect on student learning and school climate. We take great pride in our academic and athletic programs, as well as our extra and co-curricular programs. Our grounds are clean and well-maintained. Student support and guidance is very effective, and we have a firm, fair, and consistent discipline policy, creating a safe place for students. Our Peer Resource program assists students with problems and issues. Our curriculum is rigorous and standards-based.

We have created a positive tradition that includes strong academics, athletics, and a nurturing learning environment in our 4x4 Block Schedule. Our Schoolwide Learner Outcomes, (1. Communicate Effectively, 2. Be Responsible Citizens, 3. Develop Positive Relationships and 4. Develop Problem Solving Skills), Professional Learning Communities and our Single Plan drive the curriculum and allocation of resources.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School			District
	2014-15	2015-16	2016-17	2016-17
With Full Credential	57	62	63	965
Without Full Credential	2	1	0	77
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Last updated: 12/13/2016

Teacher Misassignments and Vacant Teacher Positions

Indicator	2014-15	2015-16	2016-17
Misassignments of Teachers of English Learners	0	0	1
Total Teacher Misassignments*	0	0	1
Vacant Teacher Positions	2	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English learners.

Last updated: 12/13/2016

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2015-16)

Location of Classes	Percent of Classes In Core Academic Subjects Taught by Highly Qualified Teachers	Percent of Classes In Core Academic Subjects Not Taught by Highly Qualified Teachers
This School	97.0%	3.0%
All Schools in District	93.0%	7.0%
High-Poverty Schools in District	93.0%	7.0%
Low-Poverty Schools in District	99.0%	1.0%

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

School Facility Conditions and Planned Improvements

The District takes great effort to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses the Facility Inspection Tool (FIT) instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the District Office. Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School Buildings.

Sierra High School was constructed in 1994, including the administration building, library, two gymnasiums, cafeteria, and classrooms. Portables have been added for a total of 80 classrooms.

Maintenance and Repair.

District maintenance staff ensures that repairs necessary to keep schools in good working order are completed in a timely manner. A work order process is used to ensure efficient service and emergency repairs are given the highest priority.

Cleaning Process and Schedule.

The District's governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office and at the District Office. Staff works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Program.

The District participates in the State Deferred Maintenance Program for major repair or replacement of existing school building components so that the educational process may safely continue. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, wall systems, floor systems, etc. The District's 2015-2016 budget allocated \$800,000 to address deferred maintenance needs throughout the District.

Modernization Projects.

The District is currently planning to renovate and modernize its schools based upon the District's 2014 Facility Master Plan. As part of that activity there are projects planned at Sierra High which will be completed through the use of local funds. State funding will also be sought for those portions of projects which may be eligible for modernization funding.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
English Language Arts / Literacy (grades 3-8 and 11)	59.0%	59.0%	34.0%	39.0%	44.0%	48.0%
Mathematics (grades 3-8 and 11)	21.0%	22.0%	24.0%	25.0%	34.0%	36.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 1/11/2017

ELA - Grade 11

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	348	347	99.7%	59.1%
Male	164	164	100.0%	49.4%
Female	184	183	99.5%	67.8%
Black or African American	21	21	100.0%	47.6%
American Indian or Alaska Native	--	--	--	--
Asian	21	21	100.0%	57.1%
Filipino	26	25	96.2%	72.0%
Hispanic or Latino	169	169	100.0%	60.4%
Native Hawaiian or Pacific Islander	--	--	--	--
White	93	93	100.0%	55.9%
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	155	155	100.0%	54.8%
English Learners	17	17	100.0%	5.9%
Students with Disabilities	43	43	100.0%	7.0%
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Career Technical Education Programs (School Year 2015-16)

Sierra High School has incorporated segments of the State's vision of what high schools are to be like in the 21st Century. Incoming freshmen students are participating in Success 101, a class designed to help them select a career path as they move through high school. A career path is developed for each student to prepare for the transition from school to post-secondary options. Sierra High students are able to enroll in CTE classes on campus in a variety of career pathways. Students also may enroll in district-wide CTE capstone courses in a variety of areas. These classes focus on workplace skills that can transfer into any career pathway.

*Last updated: 1/12/2017***Career Technical Education Participation (School Year 2015-16)**

Measure	CTE Program Participation
Number of Pupils Participating in CTE	338
Percent of Pupils Completing a CTE Program and Earning a High School Diploma	91.0%
Percent of CTE Courses Sequenced or Articulated Between the School and Institutions of Postsecondary Education	100.0%

*Last updated: 11/30/2016***Courses for University of California (UC) and/or California State University (CSU) Admission**

UC/CSU Course Measure	Percent
2015-16 Pupils Enrolled in Courses Required for UC/CSU Admission	95.2%
2014-15 Graduates Who Completed All Courses Required for UC/CSU Admission	36.9%

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2015-16)

Grade Level	Percentage of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
9	12.4%	20.5%	55.3%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 1/11/2017

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2016-17)

The success of a school is strongly influenced by the support of parents and the school community as a whole. Sierra High School enjoys great parent involvement and utilizes the services of the site council, athletics, band, Success 101, Sober Grad, and other groups to support students and school programs. Call our school at (209) 858-7410 to contact Dan Beukelman or Stella Oliver to find out how you can get more involved with your student’s education.

Manteca Unified strives to coordinate and communicate with the community including police, fire and other governmental agencies, news media, medical agencies, and other community organizations. A few examples of such coordination and communication with community agencies include programs such as fire prevention, water safety, parks and recreation activities, the community gymnasium, bike safety, and our Police School Resource Officers.

Parents regularly volunteer in the classroom and are actively involved in the School Site Council, school-wide planning, parent conferences, bilingual parent support groups, and various parent committees for fundraisers and field trips. School information is available online at www.mantecausd.net.

State Priority: Pupil Engagement

Last updated: 1/13/2017

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15
Dropout Rate	1.6%	1.9%	0.6%	5.2%	4.4%	4.7%	11.4%	11.5%	10.7%
Graduation Rate	94.90	96.00	97.80	92.00	92.90	92.40			

Completion of High School Graduation Requirements - Graduating Class of 2015**(One-Year Rate)**

Student Group	School	District	State
All Students	100	95	85
Black or African American	100	91	77
American Indian or Alaska Native	100	100	75
Asian	100	96	99
Filipino	90	100	97
Hispanic or Latino	100	96	84
Native Hawaiian or Pacific Islander	100	90	85
White	100	91	87
Two or More Races	75	78	91
Socioeconomically Disadvantaged	41	45	77
English Learners	100	93	51
Students with Disabilities	92	77	68
Foster Youth	--	--	--

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

Rate	School			District			State		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16
Suspensions	4.1	11.4	10.9	7.3	9.7	9.8	4.4	3.8	3.7
Expulsions	0.2	0.4	0.3	0.2	0.2	0.3	0.1	0.1	0.1

School Safety Plan (School Year 2016-17)

All of the school sites in Manteca Unified School District annually update the Disaster Plan and School Safety Plan. The plan was revised by Safe Schools Consultants according to the required adoption process with appropriate School Site Council public hearings and School Safety Planning Committee input. Teachers and staff annually receive training on disaster procedures. Teachers and staff received ongoing training throughout the 2016-2017 school year in order to meet the appropriate guidelines established by the state. The safety plans were confirmed and approved by March 1, 2016.

Manteca Unified School District continues to make strides in the improvement of the educational climate and reduced disruptions in the classroom by "putting kids first" and asking the question, "Is it good for the children?" The safety of students and the security of campuses are high priorities in MUSD. School personnel and students participate in monthly disaster preparedness drills including specific procedures for fire, earthquake, flood, civil disturbance, and hazardous chemical situations. The school sites also focus on establishing goals that are needed.

The District has established procedures for submitting complaints against personnel and programs. An information brochure, policies, and forms are available to the public at the school site, on the District's website, and in all offices. Also, a nondiscrimination/harassment report form is used to help staff in reporting and tracking data.

Our schools work hard to improve academic achievement and provide alternative programming for "at risk" students. In addition, authorized prevention activities include conflict resolution strategies, before and after school programs, and district-wide efforts to prevent illegal gang activities with Drug Free and Tobacco Free School Zones clearly established and posted. Our District seeks grants and utilizes the Health Services Department to meet the health and counseling needs of students.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Federal Intervention Program (School Year 2016-17)

Indicator	School	District
Program Improvement Status	Not in PI	In PI
First Year of Program Improvement		2007-2008
Year in Program Improvement		Year 3
Number of Schools Currently in Program Improvement	N/A	2
Percent of Schools Currently in Program Improvement	N/A	40.0%

Note: Cells with NA values do not require data.

Average Class Size and Class Size Distribution (Secondary)

Subject	2013-14				2014-15				2015-16			
	Average Class Size	Number of Classes *			Average Class Size	Number of Classes *			Average Class Size	Number of Classes *		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	22.0	14	9	13	24.0	12	12	9	24.0	12	10	12
Mathematics	26.0	8	7	11	26.0	7	12	5	26.1	6	16	5
Science	30.0	2	4	9	29.0	2	9	4	30.3	1	5	9
Social Science	24.0	6	9	8	28.0	3	9	7	30.0	3	6	9

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Types of Services Funded (Fiscal Year 2015-16)

All Manteca schools receive equal allocations of general fund support for staffing, instructional materials and supplies, custodian needs, and other uses. Funding for the support services such as maintenance of buildings and grounds, utilities, and student transportation is budgeted on a district-wide, centralized basis and provided to each school site based on the unique needs of the individual school.

In addition to its support from the local general fund, each school in the Manteca Unified School District receives yearly allocations from various state and federal categorical programs. The purposes of these categorical programs range from improving the quality of the total instructional program for all students to addressing the unique needs of special groups of students such as limited-English proficient, academically deficient, and students at risk of dropping out of school.

Advanced Placement (AP) Courses (School Year 2015-16)

Data displayed in this section may not be comparable to prior years data since the calculation method was changed to more accurately reflect that all MUSD schools now use block scheduling. Also, this data identifies AP "courses" rather than "sections."

Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science	0	N/A
English	2	N/A
Fine and Performing Arts	1	N/A
Foreign Language	1	N/A
Mathematics	2	N/A
Science	3	N/A
Social Science	4	N/A
All Courses	13	15.4%

Note: Cells with N/A values do not require data.

*Where there are student course enrollments of at least one student.

Professional Development

Manteca Unified School District uses a number of models for professional development. The district has adopted the K-12 California State Content Standards for Math and English Language Arts, along with the California English Language Development (ELD) Standards, and the Next Generation Science Standards (NGSS). Beginning with the 2016-2017 school year, an emphasis will be placed on providing teachers with continual training to implement the new standards, new ELA/ELD curriculum, deeper implementation of the math curriculum, and continuing to infuse technology in the classroom. During the 2015-2016 school year, the district was focused on the continual implementation of the standards and the district's 1:1 digital initiative.

As with all training in the district, the focus will be on creating a student-centered approach in teaching that is geared towards providing students with the skills and content necessary for College and/or Career Readiness in the 21st Century. The major emphasis of professional development will be to train teachers to meet the California State Content Standards through a focus on Math, ELA/ELD, NGSS, and Technology. Teacher training opportunities are being provided through district office and site offerings, 24/7 access to an on-line digital platform, and during three Manteca Unified School District staff development days. The district has other opportunities for teacher training including the Teacher Induction Program, CCSS Implementation Walkthrough Training, K-8 teacher collaboration, K-8 teacher curricular committees, 9-12 Professional Learning Communities (PLC), 9-12 Quality Instruction for Student Achievement (QISA), and high school teacher curricular committees, along with a variety of other subject-area trainings.
